eDocument Resources Receives Platinum and Diamond Honors from Hyland Software

Hyland Software salutes eDocument Resources for helping organizations operate more efficiently
using the OnBase enterprise content management (ECM) solution

Minnetonka, MN – February 25, 2013 –Technology that drives process efficiency is in especially high demand today –and so are the vendors that have proven they can deliver it as promised. Specifically, organizations are looking for vendors that can back their solutions with exceptional customer care, and technical knowledge and support. For consistently providing this, eDocument Resources was recently honored at Hyland Software's 2013 Team OnBase Conference as a Platinum and Diamond winner.

 "We are so pleased to have been given this recognition" said Ken Schempp, President of eDocument Resources. "eDoc has been an authorized OnBase Solution Provider since 1997. We are proud to have been recipients of this award for eight years running. eDoc is committed to helping our customer be their best and achieve success for their for their organization. We know firsthand how OnBase helps to make organizations more efficient and effective."

"eDocument Resources has a proven track record of providing comprehensive solutions that solve everyday problems for organizations," said Bill Kavanaugh, director of U.S. channel sales for Hyland Software. "We hold our partners to the highest standards of professionalism and eDocument Resources well surpassed those benchmarks."
