

eDocument Resources Expands New Office in Nebraska Officially Opens

Minnetonka, MN, June 26, 2013 – eDocument Resources has officially opened its new office in Lincoln, Nebraska. The new office will allow eDocument Resources to continue to meet client needs and expand its business in the Lincoln area due to its proximity to many of the clients served by eDocument Resources.

The eDoc Nebraska teams will be working out of the new office, which has two conference rooms, open work space allowing for team collaboration and several single offices. A deck offers views of downtown Lincoln including the new Pinnacle Bank Arena and the HuskerVision screen at the University of Nebraska's Memorial Stadium.

The office is located in downtown Lincoln at 825 M Street in the historic Color Court Building. This building is the first LEED (Leadership in Energy and Environmental Design) Certified Platinum historic renovation in Nebraska. The building has a green roof, rainwater capture system, natural light, geothermal HVAC systems and other environmentally friendly features.
